

Our ref: RBE/OAR/APRIL 19
8th April 2019

Dear Parent/Carer,

As Easter approaches, our key stage 4 and 5 students will be only a few academic weeks from sitting their first external examinations. The Academy has always endeavoured to maximise the opportunities for students to immerse themselves in the content of courses, to practise exam techniques and to spend additional time on coursework submissions through the coordinated personalised programme of enrichment sessions. These have taken place from 2.50- 3.50pm during this half term and the students' responses to this extra provision has been exceptional in many cases.

The Academy would like to maintain the momentum generated through these sessions during Easter and are therefore offering additional provision where possible for students in some subjects over the next week. Although we understand that some previously arranged commitments may prevent students from attending the timetabled sessions, attendance where possible is strongly recommended in order for students to fulfil their potential within the subject areas. Please complete the slip below and return to reception.

The sessions available that your son/daughter can attend as appropriate to their studies are listed below:

Subject	Date	Time	Staff
BTEC Bus Studies (Y10) & Finance (Y11)	12th April	9am – 11am	Mr Beever & Mrs Staniforth
Science (Y11)	12th April	Triple 9am – 11am Triple & Combined 11am – 2pm	Mrs Carpenter Harvey

Music (Y10)	24th April	10am – 12pm	Mrs Crolla
Geography (Y11)	25th April	1pm – 3pm	Mr Laird (Geography Trust Director)

We hope that you will support this by ensuring your son/daughter's attendance to the appropriate sessions wherever possible and thank you for all of your ongoing support.

Yours faithfully,

Mr. R Beever
Acting Associate Vice Principal Deep Learning

My son/daughter _____ will be attending intervention on:
