

4th October 2019

Dear Parent/Carer,

At Outwood Academy Ripon we are pleased to offer year 11 a fantastic opportunity to attend a Science in Action event at Salford University. Students will experience the ultimate science enrichment day and will attend five interactive, engaging and inspiring sessions. There will be demonstrations and audience participation as leading lights in the science field deliver this specially designed programme.

Most importantly the program also includes a session on examination success and will equip students with the tools necessary to succeed in their upcoming exams, and a useful revision guide to take home.

The trip is planned for the **28th November 2019** and we intend to travel by coach. We will depart from the Academy bus park at **08:30am** and should be returning at **18:30pm**.

If you would like to secure a place on this amazing trip for you son/daughter, please complete the medical and consent form attached and return it to the Finance team as soon as possible. Payments of £20 to cover entry should be made through Tucasi Scopay, however if you have difficulty paying online then payments can be made to the Finance Office in cash or cheque (payable to Outwood Academy Ripon) by 12th October.

If the trip generates a surplus equating to £5.00 or more per pupil then the surplus will be refunded. Any surplus of less than £5.00 per pupil will be retained by the Academy in a sponsorship fund to support future educational trips.

I hope you son/daughter chooses to attend this exciting trip. Students are not required to wear uniform but during the visit our high expectations and standards of behavior will be the same as in the Academy.

Yours faithfully,

Mrs Carpenter-Harvey
Head of Science

Name of student _____ VMG _____

I give /do not give permission for my child to attend the Science in Action trip on the 28th November

I enclose a cheque /cash for £

or

I have paid £20 using Tucasi Scopay.
