Dear Parents/Carers,

Reduced catering provision.

In light of the ongoing effects of the pandemic the Academy is supporting our catering provider, ISS who have reduced colleagues due to Covid absence.

Where possible please could you provide your student with a packed lunch over the next few days. A reduced service for break and lunch will be available, however, the offer will not be the usual menu choices.

There will be a hot and cold offer, however, if we are able to reduce the number of students requiring this it would support the team. The provision of a free school meal allowance will not be affected.

Thank you for your ongoing support of our Academy during these unprecedented times and should you have any queries please direct these to your year group learning manager or via, enquiries@ripon.outwood.com.

Kind regards.
