Dear Parents/Carers

REMINDER WE ARE A NUT FREE SCHOOL

We have an increasing number of pupils in our school who have nut allergies. Anaphylaxis (allergic reaction) can occur as a result of digestion, inhalation or any other contact with nut-based products. For their safety, I must remind you that we are a **nut free school**.

Please do not send your child into school with any nut-based product for packed lunches or break time snacks.

Can we please ask that you check the labelling of food products before sending your child into school with them – it is not always apparent that products contain nuts.

Due to these allergies, if any pupil is found with a nut-based product after this letter has been distributed, the school will have no option but to confiscate the item.

We thank you for your understanding and cooperation with this request.

Yours sincerely

Will Pratt

Principal
