

Home Learning Timetable - Year 9

Please find below the timetable of learning provided for the Outwood Academy Ripon, Year 9 Partial Closure. Please ensure your child is logged on for a 9:05am start, throughout the day's provision there will be live links integrated within the Google Classroom. These will run for approximately 15 minutes and act as either an introduction, input or synopsis to supplement the Google Classroom. This will then repeat for the rest of the lessons throughout the day at the times stated on the timetable below.

In addition to the offer of Google Classroom work, there are OGAT Masterclasses available each day for students to complete. These are pre recorded lessons from outstanding members of teaching staff across the Outwood Grange Academies Trust. These lessons have been quality assured and will have a specific link to a Masterclass each day at 9am in the tutor group classrooms. In addition you are able to find a range of Masterclasses at the website below:
