**Year 11 Information Evening – Thursday 21st October 2021**

Dear Parent/Carer,

I had hoped that we would be able to invite you and your child to join with key members of staff on Thursday 21st October for a year 11 information evening. The purpose of this evening was for key staff members to share with you specific information about how to support your child from home in their subject during this hugely important year.

Unfortunately given the increase in the Covid transmission rate in the Academy over the past two weeks I have made the difficult decision to offer this evening as a virtual evening only.

Through a virtual portal, on our website, we will still outline our commitments to ensure that all students are effectively supported so that they can achieve their best. Students and parents will be provided with information on how they can support themselves outside of curriculum time.

The Academy will provide the key dates of assessment weeks and specifically the dates of the two week mock exam period.

This portal will be available from Thursday 21st October throughout the year and will be updated when necessary, if you have any specific questions about any of the presentations please contact year 11 learning manager [j.johnson@ripon.outwood.com](mailto:j.johnson@ripon.outwood.com) or year 11 leadership link staff member [m.capenter-harvey@ripon.outwood.com](mailto:m.capenter-harvey@ripon.outwood.com).

Yours faithfully,

Mr W Pratt
